

My first day as a super hero!
Hopefully this won't be as bad as my
last job at the shark rodeo.

Fear not, Paragon City, for
BATTLE BOVINE is here to
spread his buttery justice all
over evil!

EARTH FOR HUMANS!

Let's keep it that way!

Let's see now... Super Heroes for Dummies says that the first thing every super hero needs is a secret headquarters.

There's gotta be something to use as a secret headquarters somewhere...

Whoa, you're on our turf,
COW MAN! You gotta pay
a toll if you wanna live!

Don't call me a cow! Sure,
my mother is a cow, but
I'm not. I'm a bull!

Whatever, cow. Now hurry up
and make with the cash or
we're gonna be late for church

I'M A BULL!

This guy's insane!
Let's get out of here!

Finally, my own secret headquarters with all the rats a guy could eat.

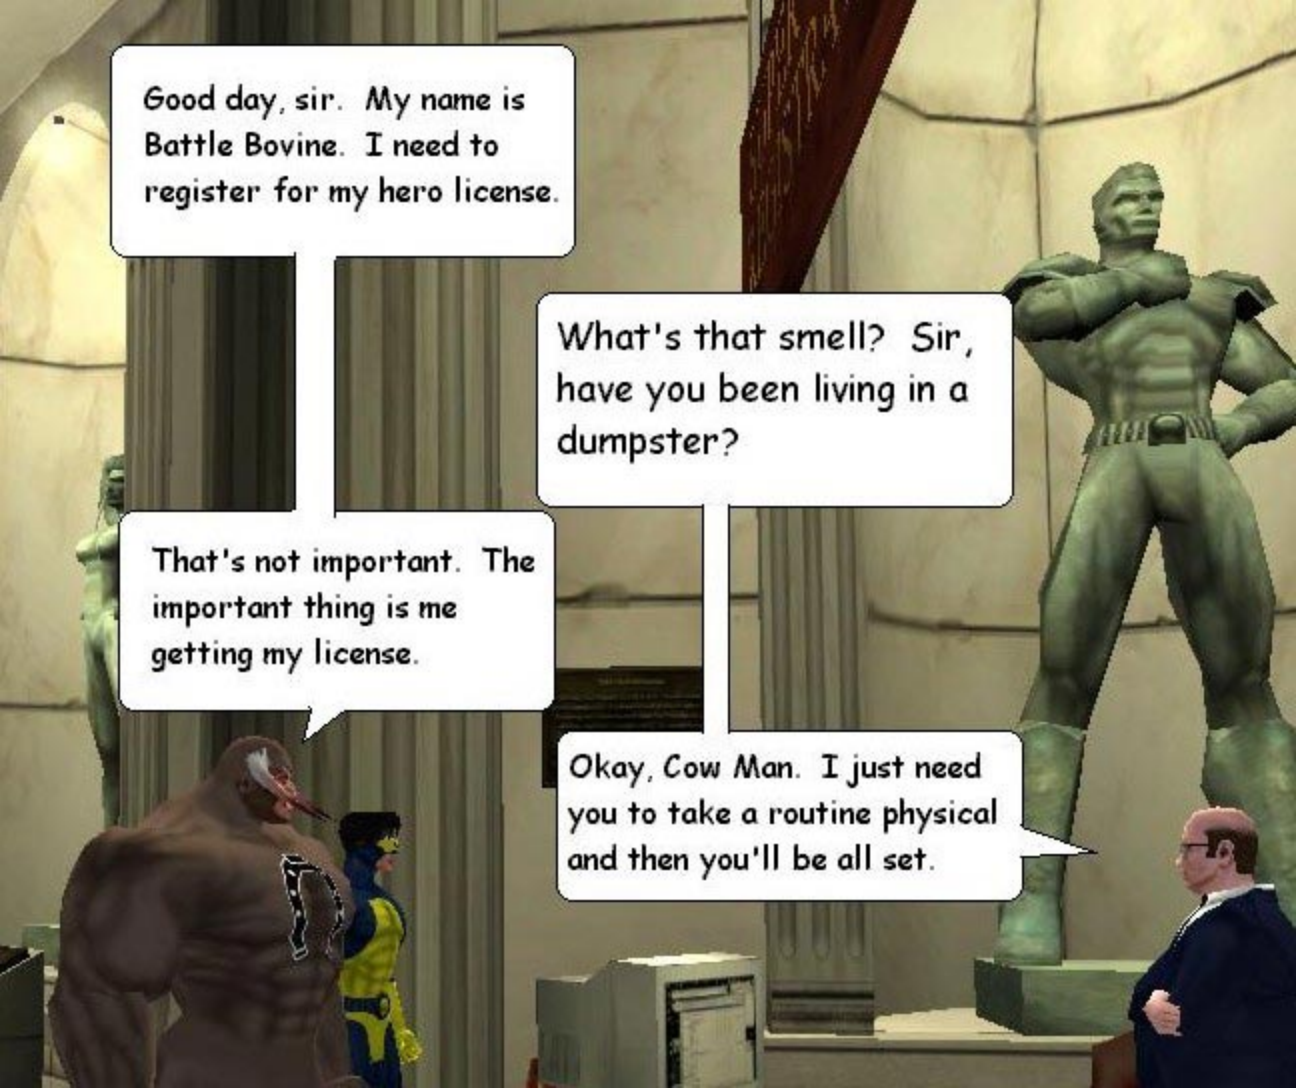

Hey, guys. Do you know where I can find City Hall?
I need register for my super hero license.

SUPER HERO?! Uh... yeah... listen...
we're definately not breaking into this
here garage to steal some stereos.
We're... uh... repairing the door... yeah...
Oh, City Hall is right down the street.

Good day, sir. My name is Battle Bovine. I need to register for my hero license.

What's that smell? Sir, have you been living in a dumpster?

That's not important. The important thing is me getting my license.

Okay, Cow Man. I just need you to take a routine physical and then you'll be all set.

Again, my name is BATTLE BOVINE. I am a bull. I really take offense when people call me a cow.

You super heroes seem to get weirder everyday...

What was that?

What? I didn't say anything.
