# THE FOREVER MEN

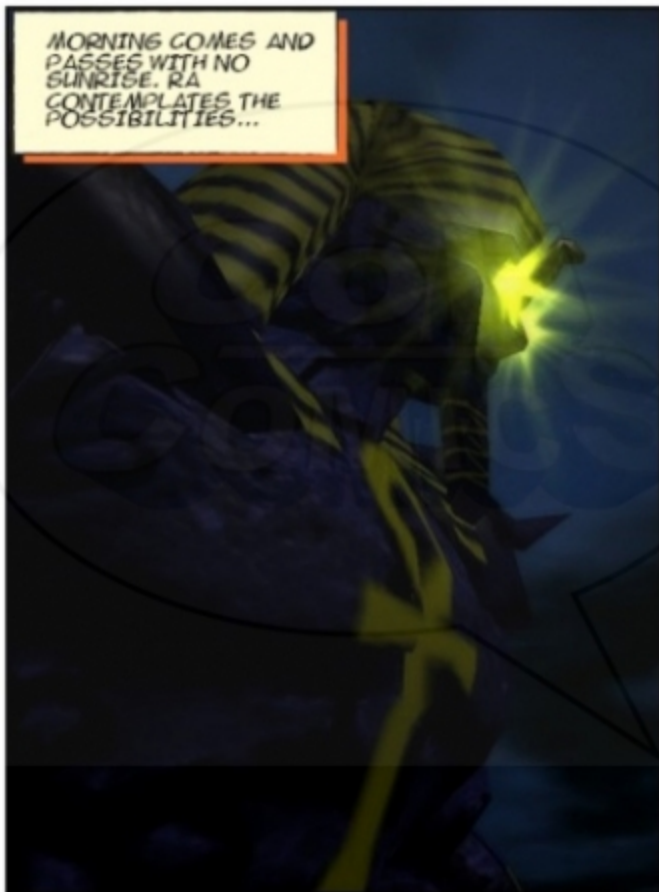

TRICK OR ~~TREAT~~

PARAGON CITY ...

MORNING COMES AND  
PASSES WITH NO  
SUNRISE. RA  
CONTEMPLATES THE  
POSSIBILITIES...

PSYCHIC WAVES WASH OVER  
THE CITY. A HUMAN MIGHT  
FEEL IT AS A PRICKLING OF  
THE HAIRS AT THE BASE OF  
THE NECK. TO RA, IT IS LIKE  
A TIDAL WAVE.

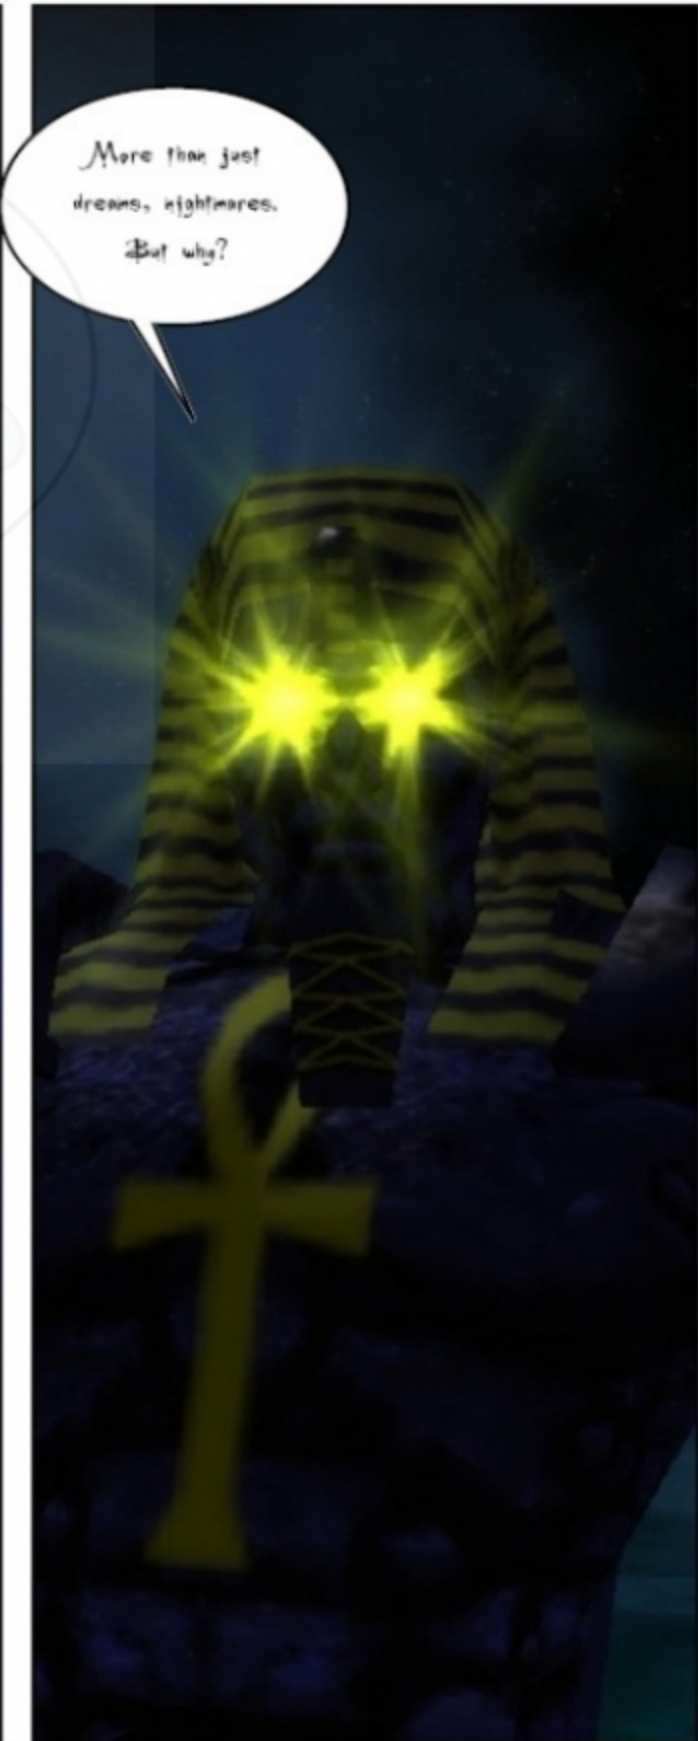

RA REACHES OUT AND TOUCHES  
THE PASSING ENERGY...

Something feeling as  
if it's a dream?

More than just  
dreams, nightmares.  
But why?

I'll teach old States, with these files...

Lessons over Ebon...

Wha...?

I don't know how you got here...

...but you'll be leaving in an ambulance!

How did I get here? I was... I get it, this is a dream... these things are getting way too literal...

UNF!

Since when do dreams pack a punch?

Wait, somethings wrong...

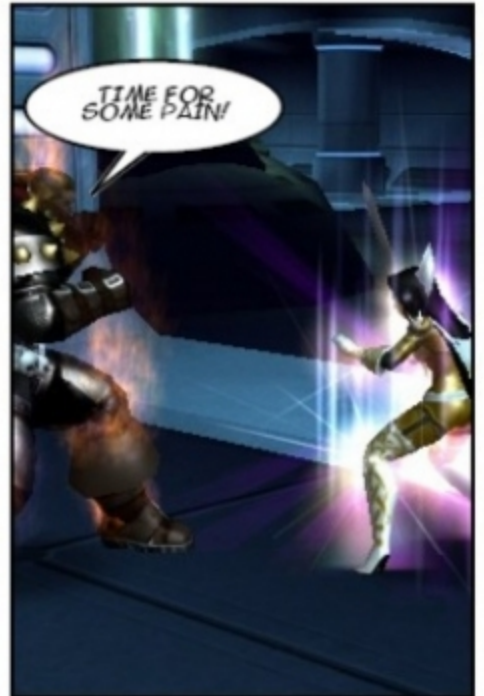

Yeah... you're still breathing. I can fix that...

I don't know whats going on but...

... not today Ebon!

I know not how you have done this villain...

...but it ends... here and...

...NOW!

WHEN I GET THAT LITTLE TOOTHPICK OF YOURS...

What? What foul thing is this, how is it you still stand?

Yah!...!

Welcome.

What is this Ra? I slept standing here?

Indeed. The spell is quite powerful. Few may resist. If not for the enchantment of your sword, Ra would not have been able to reach your mind.

Who has done this? Thorns? They will pay...

Ra does not yet know. Though the power needed to even bend their knowledge. This is much older.

You must awaken the others. The touch of your blade will break the spell.

I was bewitched! By the light of day, this blade will wake the others, then punish those that would dare this.

Quickly Yafinat, what has begun becomes more powerful with every moment!

Hi Val...

...er by Val. She's in a big hurry, whats going on Ra?

Dark forces are at work child of science...

I guess they don't get vacation days...

The nightmares of mortals are being used to summon forth dark forces.

Mortals? Who is it affecting?

All of them Princess Yaltrio blade will subdue those under the spell, but even she can not subdue every soul on this world with it. Soon the face of darkness will reveal itself.

Gadget Girl She's at home, not here! I've got to warn her!

Kid Electric, you must... Kid Electric?

Gadget Girl, surrender the Flames Master unit for termination.

Fat chance you malfunctioning toaster over!

Processing... You will not surrender Flames Master. You must be terminated.

I don't think so! I've seen what makes you tick, one good shock and...

No way! How?!

This unit has analyzed design flaws and upgraded.

Great...

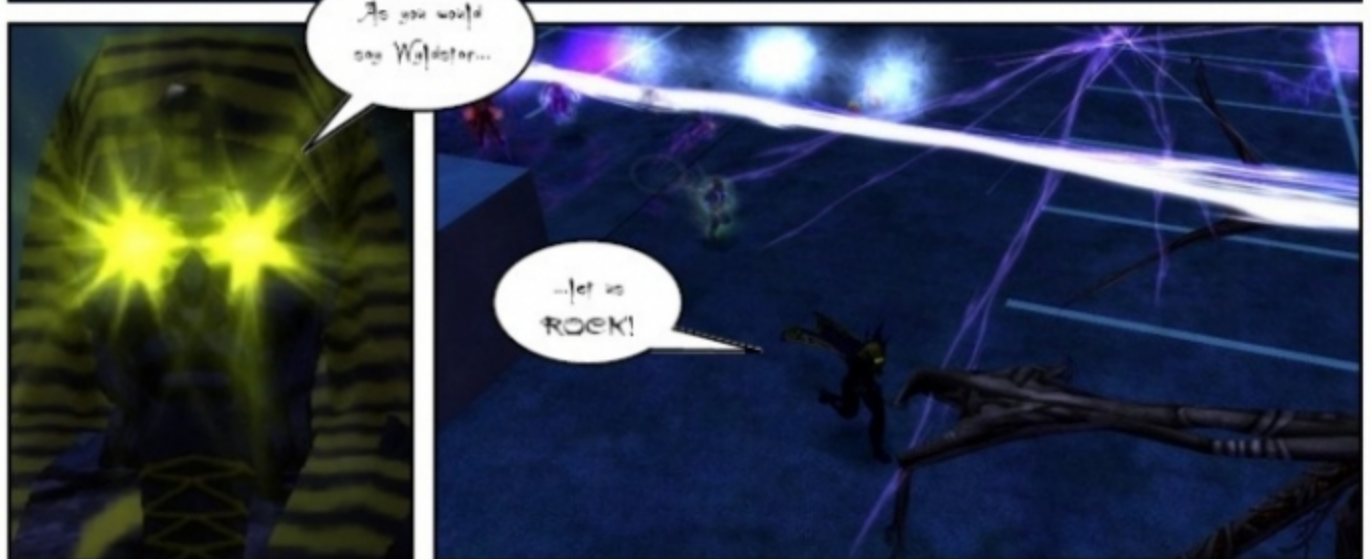

BACK IN PARAGON CITY...

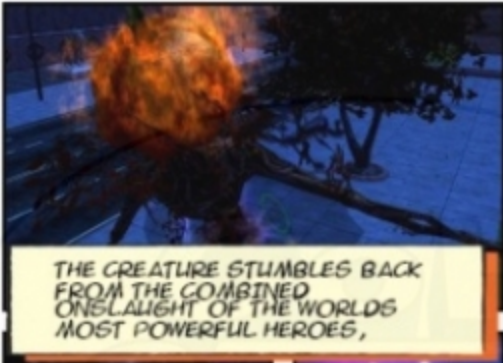

THE CREATURE STUMBLES BACK FROM THE COMBINED ONSLAUGHT OF THE WORLDS MOST POWERFUL HEROES,

WITH EACH BLOW...

LAY IT ON CORPS!

...THE MONSTER STUMBLES...

...WEAKENING, LOSING IT'S GRIP ON THIS REALITY...

Mmm, smells like pumpkin pie just like Ma used to burn.

The evil is gone from here. The blackness is done.

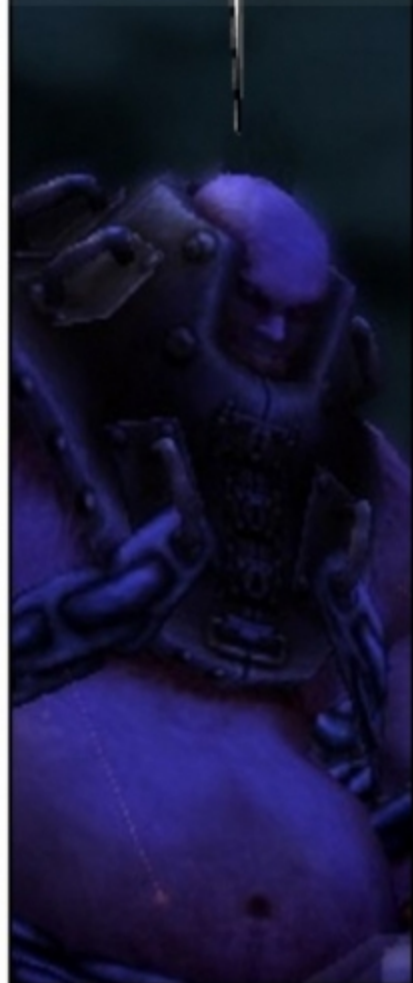

So thats it Vincent? What do you say Stoney?  
Stoney?

Ra?

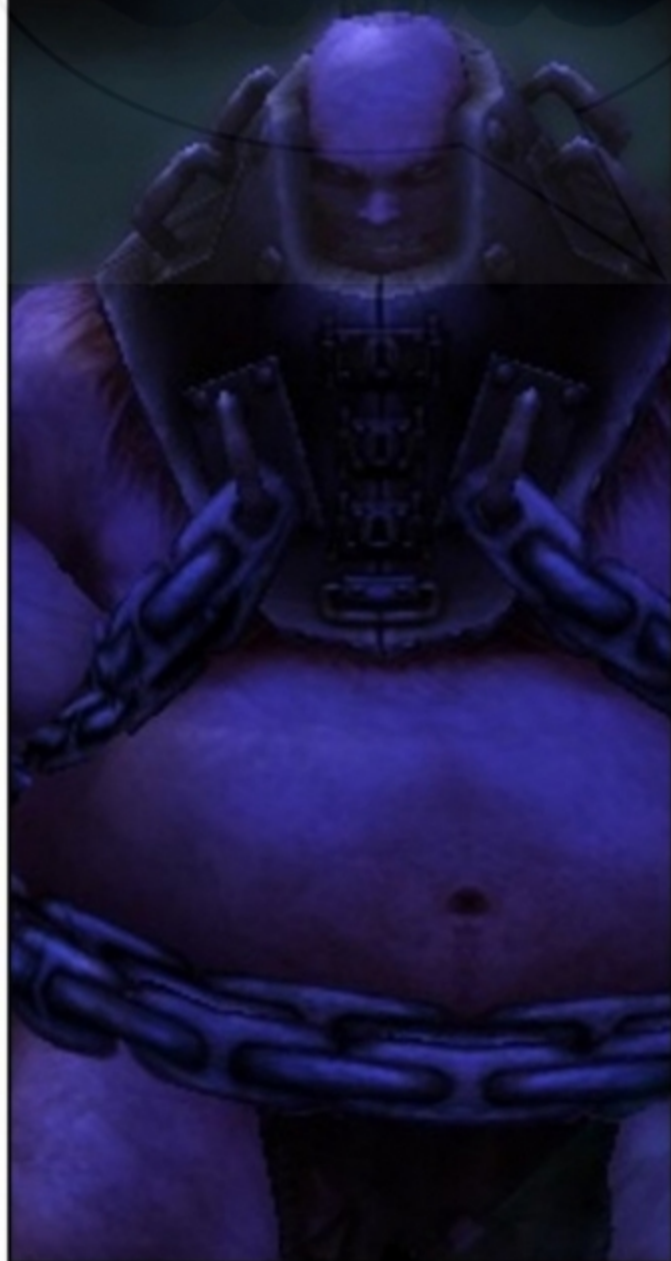

ELSEWHEN...

It's done.  
You have failed Jack.

AND WHEN I  
HAVE DONE  
THIS, THE GODS  
OF DARKNESS  
WILL BOW  
BEFORE ME!

Perhaps best.  
However not this  
day. The balance  
is maintained.

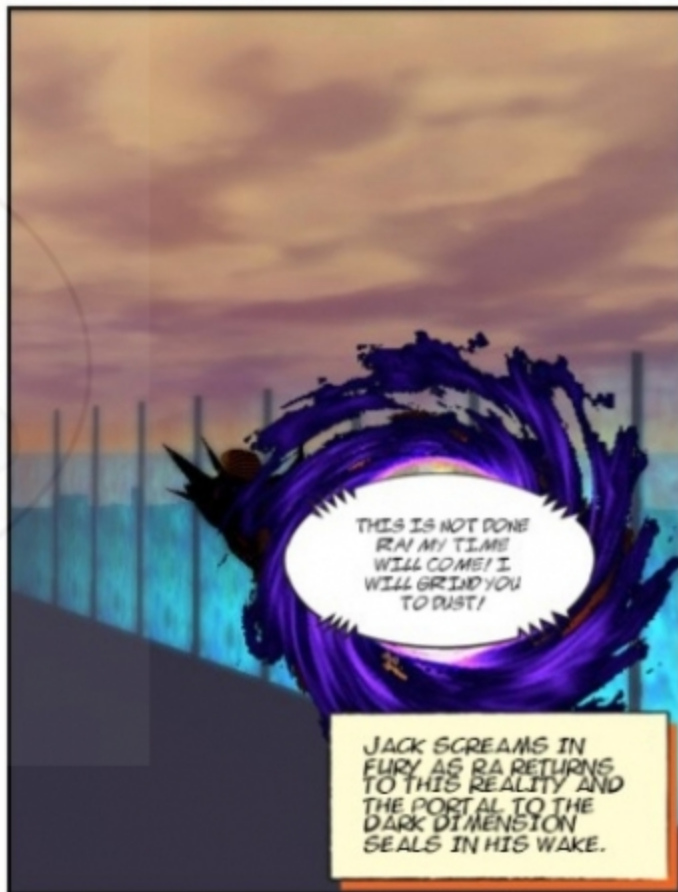

WITHOUT WARNING,  
A RIFT APPEARS  
ABOVE THE CITY.

THIS IS NOT DONE  
RA! MY TIME  
WILL COME! I  
WILL GRIND YOU  
TO DUST!

JACK SCREAMS IN  
FURY AS RA RETURNS  
TO THIS REALITY AND  
THE PORTAL TO THE  
DARK DIMENSION  
SEALS IN HIS WAKE.

THE COMMUNICATOR IN HIS NEMES  
CRACKLES TO LIFE WITH HEROES FROM  
MEGA CORP'S AND THE FOREVER MEN  
SPREAD ACROSS THE CITY SEARCHING  
FOR HIM. FOR A MOMENT HE MARVELS  
AT HOW LITTLE THEY UNDERSTAND THEN  
SPEAKS...

Greetings mortals...  
is all well?

END
